Dear Parents/Community

Iola ISD will be holding another vaccination clinic for boosters of Moderna and Pfizer. The team will come and set up at the Elementary on Jan. 20, 2022 from 10:00-2:00pm. They will also have pediatric first doses available if you would like to vaccinate your child. This is a free event and will not cost you anything but your time. They will not have adult first doses as we have already held a clinic for those. This will be for pediatric first doses and boosters only. If you have any questions please contact Sandra Elliott.

Sincerely,
Sandra Elliott, BSN, RN
